What is Muntada Aid Doing?

Our missions are uncomplicated, but their impact on individuals, families and communities is life transforming.

Each successful cataract operation means independence, freedom of movement, working and seeing the faces of the family again.

In 2021-22, we are performing thousands of surgeries in Niger and Chad. We are organising these missions in partnership with IHH, Istanbul and Alliance of International Doctors, Istanbul.

The camps will be held in towns like Niamey, Maradi, Tahoua and in Ndjamena. Apart from the cataract operation, we will be providing patients with eye drops, pain killers, anaesthesia for children and other medication that they may need to overcome this crippling condition.
